

111TH CONGRESS
2^D SESSION

H. CON. RES. 244

CONCURRENT RESOLUTION

Whereas a National Day of Recognition for Long-Term Care Physicians is designed to honor and recognize physicians who care for an ever-growing elderly population in different settings, including skilled nursing facilities, assisted living, hospice, continuing care retirement communities, post-acute care, home care, and private offices;

Whereas the average long-term care physician has nearly 20 years of practice experience and dedicates themselves to 1 or 2 facilities with nearly 100 residents and patients;

Whereas the American Medical Directors Association is the professional association of medical directors, attending physicians, and others practicing in the long-term continuum and is dedicated to excellence in patient care and provides education, advocacy, information, and professional development to promote the delivery of quality long-term care medicine; and

Whereas the American Medical Directors Association would like to honor founder and long-term care physician William A. Dodd, M.D., C.M.D., who was born on March 20, 1921: Now, therefore, be it

1 *Resolved by the House of Representatives (the Senate*
2 *concurring), That Congress—*

3 (1) supports the designation of a National Day
4 of Recognition for Long-Term Care Physicians; and

5 (2) supports the goals and ideals of a National
6 Day of Recognition for Long-Term Care Physicians.

Passed the House of Representatives March 19,
2010.

Attest:

Clerk.

11TH CONGRESS
2^D SESSION
